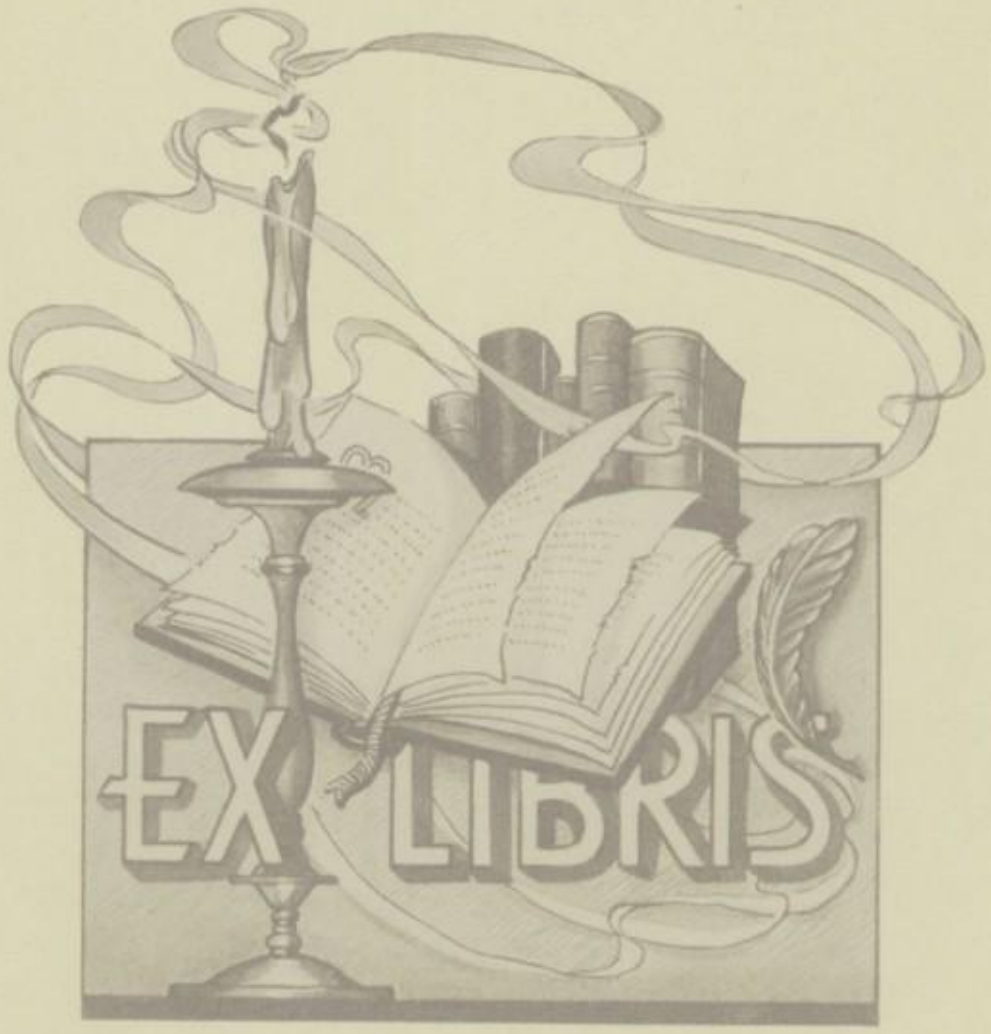
The Chieftain



EX LIBRIS

We, the staff, hope that this 1941 annual, THE CHIEFTAIN, will meet with your approval in carrying out the tradition set four years ago. We hope that in years to come that you get many happy memories of your time spent in old Valley View High. We know that some of these will be remembered as serious, some as humerous, and some as mischievious,-all totaling some of the most happy days of your life.

In presenting THE CHIEFTAIN the staff wishes it to be known that we deeply appreciate the cooperation received which has made the publication of this annual possible.

We hope that this wonderful tradition will proceed throughout the life of our school.

ADMINISTRATION

Seniors of 1941
Students of Valley View Schools

Greetings!

Another year draws to a close and to another Class of Seniors she will have to say, "Bon voyage, until we meet again, good luck, ------." We trust, however, that this year has been a very profitable one, crowded with experiences which will enable you to live more completley and to appreciate this great country of ours more fully. Parting brings sadness; but we hope that there will be no regrets for tasks undone--that, in future years, all of you will look back upon your high school as your former educational home and remember it with kindness and pleasure.

The task of your school will become a realization of fact if you as ex-students prove to be the worthy citizens of our nation which you are expected to be. Remember that 'our Democracy' is group living under group control, giving the individual the greatest possible opportunities for self-development; and it is the task of each of us to protect, defend, and propagate it until the world will know its merits and strive to enjoy similar blessings.

May the future bring us peace, security, and the "love that passeth all understanding."

SENIOR ACTIVITIES

The Senior Class has had a very enjoyable time this year. Of course, the first event was to elect our candidate for the Halloween Queen. We elected Dena Faye De Whitt, and in the run-off we won the race. After this victory we elected Ila Faye Everett as our duchess of the Senior Class, and Dena Faye choose Bettye Joyce Cook as her maid of honor.

Our first "real" social was on October 21. We met at Lewis' home and went on a hay ride.

November 18 we went to Iowa Park on a skating party.

December 23 we had our Christmas party in the Methodist Church Annex. All exchanged gifts. Our room mothers, Mrs. Lewis and Mrs. Levelle, surprised all of us with a gift for each.

February 3 we returned to the Iowa Park auditorium for another skating party.

March 4 we went to Wichita Falls, had our pictures taken for the annual, and then we had a theatre party afterward.

April 25 the Senior play was given. A very large audience enjoyed the play, and gave many compliments on it.

The Seniors this year are going to San Antonio and other points of interest in the South. We expect to leave on Sunday May 18, and return Wednesday 21.

CLASS WILL

We, the Senior Class, hereby leave our will and dearest possessions to the Junior Class.

John Winder leaves the time and worry it takes to be a sponsor to Euell Spruiell. Amer wills his ability to hold the class together to Bobby Snow. L. B. Levell leaves his comb to Max. Delphine leaves to Wanda Ann her ability to stay at the head of the class. Marjorie leaves her easy going ways to Mary Ella Hughes. Hawky wills his good nature to Josephine. Dena Faye and Frances will their ability to do the rumba to Madrey. J. C. bequeaths to Neil Faulkner his laughter and quick temper. Roy leaves his talent to boast to G. W. Clark. Christina wills her privilege to cry when she feels like it to Irene. Ray Anderson inherits Robert Warren's and Oliver's timidity. Garland leaves his boots and fine singing voice to Peggy Stanford. Bertha wills her ability to flirt to Betty Jo. Lawrence leaves his title as "High School Romeo" to Johnnie. Betty Joyce wills De Alva her place on the volley ball bench next year. John Barker inherits J. B.'s ability to "pitch woo Dog Patch style." Ila Faye leaves her persuasive and mellowtone voice to Harold Craft. Odean wills her giggles and her volley ball suit to Mary Ellen Bishop. Marion forgot to leave a will; however, we want to keep his forgetfulness in the family so we give it to Mary Betty. Tommie Lee and Carl leave their fidigity nerves to Erma Gene. Colleen wills her ability to pass without studying to Mattie Jo Simpson. Jeanette leaves her dignified ways to Nellie Mae. Artie leaves his brilliant mind and bright remarks to Betty Howell. Amos wills to Billye Emmons a lock of his curly hair. Joyce bequeaths to Mary Lee her sunny smile. Iona bestows to Betty Sue her musical ability. Glenn Leath leaves his slow drawl to Weldon Wyatt. La Vermo leaves her managerial ability to Margie Nell. Leona Henderson inherits Junell's genuine characteristics. Lucille Whisnant grants her pleasant personality to Margaret Cornutt.

The Sophomores started the year off with a bang. They first had a slumgullion party. If you want to know what that is, ask Mr. M. O. Campbell.

As it was that season of the year, Mrs. Coppock and Mrs. Lakey next gave the class a Christmas party at the home of the latter.

The third entertainment which the class enjoyed was a theater party in Electra. They saw "Second Chorus".

To keep in style with the seasons, the class is going to go to the Diversion Lake for their last splurge as Sophomores.

As a sponsor, Mr. M. O. Campbell could not be beat. If the Sophomores did anything to offend anyone, it was all unintentional; and you have their apologies.

ALL-ROUND

Donald Hamilton, a member of the Senior Class and better known as "Hawkshaw", is the unanimous selection of the high school student body for the favorite all-round boy for 1941. "Hawky" came to Valley View in 1939 from Wichita Falls. He took part in all athletics--football, basketball, and track. He won first place in county meet in Shot Put and third place in Discus. He placed third in District for Shot Put. Hawky's favorite past time is rabbit hunting, and his favorite movie star is "Porky, the Pig," and his favorite food is ice cream. Donald is known throughout the entire school as being friendly and good-natured.

Odean Childers has been chosen as the best all-round girl for 1941. She is also an active member of the Senior class. She has gone to Valley View School ever since she started here in the first grade. Odean is active in all class activities, and she has one of the leading parts in the Senior play. In athletics she played volley ball, and we are proud to say she was one of the "county champions." Volley ball is Odean's favorite sport, James Stewart her favorite movie star, and red is her favorite color. She has a wonderful personality, and she possesses the ability to make everyone laugh at any time.

THE FUTURE HOMEMAKING CLUB

The Future Homemaking Club was first organized in 1939. The officers are as follows:

President-----La Vermo Bishop
Secretary-----Peggy Stanford
Song Leader---Naomi Phillips

The club was reorganized this year in November with the officers as follows:

President-----Betty Jo Evans
Vice President-Mary Hughes
Secretary-----Junelle Knight
Treasurer-----Wanda Ann Leslie
Historian-----Iona Story
Parlimentarian-Joyce Hayes
Reporter------Winnie Jo Clark

The club enjoyed talks by several of the teachers at club meetings. It has sponsored a play put on by the Hawaiian School of Music "A Night In Hawaii".

The Homemaking Club also sponsored a play put on by the girls in the Homemaking Club, "Miss Adventure". The Homemaking Club sent Miss Dunnaway and the four delegates to the rally in San Antonio, April 1st, 2nd, and 3rd. Betty Sue Cotham won the mark of superior on the evening dress she modeled.

THE SPANISH BANQUET

A very enjoyable evening was spent at the annual Spanish Banquet. It was held in the Methodist Church at Valley View. A program was given in the auditorium by members of both the Spanish One and Two classes. Then dinner, consisting of Spanish food, was served to visitors from Valley View, Holliday, Wichita Falls, and the members of the Spanish classes. After dinner everyone went to the Valley View school auditorium, where a Spanish dance was given by six visitors from Wichita Falls. Later a film was shown by Mr. Y. C. Paschall of Fairview on Mexico. This pictured to everyone an idea of typical Mexican life. Full appreciation of our neighboring country, Mexico, was shown by the reaction of those present at the banquet.

JUNIOR-SENIOR BANQUET

The greatly anticipated and much feted Annual Junior-Senior Banquet of Valley View High School took place in the school auditorium on Friday, at seven-thirty p.m. of April 18th. The Hawaiian theme of the evening was developed in entertaining fashion.

For this gala occasion, the participants dressed themselves in formal attire. The guests were greeted at the door and presented with lei which were of red, blue, and green.

The program consisted of numbers presented to the guests by two visiting guitar players at intervals throughout the evening. The height of the entertainment, however, came when Mr. O. T. Freeman, became Dr. I. Q. and guests became visitors at a Quiz Program.

After that part of the fun was over, the coaches, Mr. M. O. Campbell and Mr. E. L. Spruiell, presented their respective teams with jackets.

Following this, the benediction was given by Mr. O. L. Campbell, and the banquit attendants adjourned to Wichita Falls, or where they chose to go.
